Choose how you view! Live streams are viewable from your desktop, laptop, tablet, smartphone, and Smart TV.

INTERNET CONNECTION

If your video is buffering, choppy, constantly loading, or constantly freezing, you may have a weak or unstable internet connection.

Try moving your device closer to your router or modem if you are using wireless internet, or you can try connecting your device directly to your router or modem with an ethernet cable.

A good test of internet strength would be to stream something on Netflix, Hulu, or Amazon.

BE SURE TO

Subscribe to our YouTube Channel
